

## **LRSCOW - PRESENTATION TO SALTERNS – 8<sup>th</sup> June 2014 (Brian Buckingham)**

On Saturday, 8th June, most of the committee descended on Salterns Sailing Club to present Emily, LR 369, to them on behalf of the Association.

The weather could not have been more perfect. A cloudless sky, Emily dressed overall, and a background of Oppies made a very colourful scene and a great photo opportunity.

Roly Stafford presented the scow to Salterns on behalf of the Association and Louise Briggs, Commodore, and Martin Gorman, President received it, thanking the association for their generosity and assured us it would provide a vital tool for training young sailors.

Our Secretary, Jennie Lennox, blessed the boat with a small bottle of champagne, which was eagerly lapped up by some of the juniors!

Louise then took out Emily for an inaugural sail.
