

Address from the President of the Lymington River Scow Class Association (LRSCA)

Sebastian Chamberlain

We are living in strange and difficult times. Please God we will be able to have a vaccination in the not too distant future. In the meantime we have to do the best that we can to protect each other from the pandemic. I, for one, am unhappy with the idea of an AGM. I asked your committee to consider postponing this year's and also asked them to continue as your committee and elected officers until such time as we could hold an AGM. This they have kindly agreed to do. This email will give you the Chairman's, Vice Chairman's and Honorary Treasurer's reports that you would have received had we been able to hold an AGM. We owe them all a great deal of thanks for the way in which they have managed to keep the Association safely afloat during such a difficult time.
